University of the Pacific Water Polo Clinics

James Graham, head coach of the University of the Pacific (UOP) water polo program, will bring members of his 2010 UOP Water Polo team to join the SeaWolves for two - 2 hours clinics, on June 1st and 3rd, from 7-9pm. (Yes, we are aware this is finals week, but this was the only time the clinic program could be scheduled). This is open to high school level players enrolled in the summer session of the SeaWolves Water Polo program, including boys and girls. There is no additional fee for the clinics.

From 2005-07, Coach Graham served as the assistant coach for the United States National Youth Team, and recently traveled to Europe with the USA Men's Senior National Team as a part of their staff for the World Super Finals. He has also been the head coach for the National 2-Meter Development Camp and Holiday Camp held at the Olympic Training Center in Colorado Springs, Col., over the past three years. In addition, he has been a coach at the Camp of Champions annually held in Long Beach, Calif.
