Summer Water Polo Programs

~Beginning Water Polo~

Youth Water Polo comes to Brentwood! In association with USA Water Polo, the Brentwood SeaWolves Water Polo Program is offering Splashball™ during our summer session. Splashball™ is designed to introduce the sport of water polo to children 5-9 years old. The intent is to provide basic skills and understanding of the sport in a recreational format. Although water polo is known for its toughness and endurance, Splashball™ harnesses all the fun, dynamic aspects of the game in a safe, easy to learn aquatic experience that will motivate kids to swim and stay fit. You do not need to be a strong swimmer to participate. Flotation vests and "noodles" are allowed. The program will be run in the shallow end of the pool, by the Brentwood SeaWolves experienced staff.

SeaWolves "Splashball" - (5-9 years old) 8:00-9:00pm *NO club fee to participate
